The Paul Page Over the last three decades, a revolutionary breakthrough in New Testament scholarship has been rocking the academic Christian world. The scholars at the forefront of the revolution -- E.P. Sanders, James D.G. Dunn, N.T. Wright, and others -- have been pioneering a new approach to the letters of the first-century apostle to the Gentiles, Paul of Tarsus

As Paul Tells It [http://www.paulonpaul.org/](http://www.paulonpaul.org/) Peter Bercovitz. "Without having to depend upon the Book of Acts, we can learn directly from Paul himself not only what he taught his congregations, but also a great deal about his comings and goings and about problems he faced. From within the framework of these events, his teachings emerge naturally in their appropriate context."
